) APPLICATION

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of an application filed by Heater Utilities, Inc. (the Company) wherein the Company requests that the Commission waive certain requirements of R.103-712.4 of the Commission's Rules and Regulations as contained in Volume 26 of the S.C. Code of Laws, 1976, concerning the DHEC letter and accept the Company's application.

The Commission, pursuant to R.103-802, of the Commission's Rules and Regulations finds that in the instant matter compliance with R.103-712.4 would result in unusual hardship and difficulty to the Company in that the material required by the Rule is not available at this time.

Therefore, the matters contained in the application, the Company's supporting data, and matter contained in the Commission's files, would bring the Commission to the conclusion that the requirement set forth in R.103-712.4 regarding the DHEC letter should be waived, and that such waiver is in the public interest.
